Worms

"Cascarets are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape worm 45 feet long. It was Mr. Matt Freck of Millersburg, Dauphin Co., Pa. I am quite a worker for Cascarets. I use them myself and find them beneficial for most any disease caused by impure blood."

M. E. PARSONAGE

Ground Broken Yesterday For the New Home in Wall Street

Ground was broken for the new Methodist Parsonage in Wall street yesterday with ceremonies appropriate to the occasion.

With a new shovel provided for the occasion by Contractor I. M. Lane, Miss May Harrop, daughter of the Pastor, Rev. F. W. Harrop, threw the first shovel full of dirt, after which, Miss Minnie Belle Powell, Mrs. Harrop, I. M. Lane and Rev. Harrop, in order, each threw a shovel of dirt.

Rev. Harrop then invoked the Divine blessing on the enterprise just begun.

The plow was then started and the work of building a new Parsonage was on in real earnest. The work will be pushed speedily from now on.

The new Parsonage when completed will be one of the handsomest, most modern and up-to-date in every respect in the Kentucky Conference, and will reflect great credit on the faithful Pastor and loyal congregation of the Third Street Methodist Church.

Avoid Harsh Drugs Many Cathartics Tend to Cause Injury to the Bowels

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

I honestly believe that I have the best constipation treatment ever devised. My faith in it is so strong that I sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely relieve constipation. This preparation is called Rexal Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge or cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people as well as for the most hearty person.

They come in two size packages, 12 tablets 10 cents, 36 tablets 25 cents. Remember you can obtain them only at my store—The Rexal Store. Thos. J. Chesnoth.
